Authors Roundtable

Dear Harold,

I tried, albeit unsuccessfully, to get a copy of yesterday's N.Y. Post; it was just too late when I left the office to find a stalwart news-dealer with one left.

Clippings from today's Post, however, may be of interest, and in the case of Mr. Berlin's article, cause for legal action. Additionally, be sure to read Wechsler & Hamill's columns on the JFK situation; while perhaps not earth-shattering in import, they at least give further proof of the gathering interest in this whole subject.

I'll give you a buzz on Saturday afternoon and will try to have a copy of the legal arrangements, re the radio show, from Canetti.

Meanwhile, enjoyed seeing you in town and am very happy that Dell's going to be handling your Whitewash II.

'Til Saturday,

Sincerely,

Dan Kelley
